Key to Transcript of Academic Records

UMKC is one of four campuses in the University of Missouri system. It was the University of Kansas City until it joined the University of Missouri system in 1963. All campuses maintain separate records and do not have access to the records maintained on the other three campuses.

Accreditation

UMKC is accredited by The Higher Learning Commission and is a member of the North Central Association. The Higher Learning Commission accredits UMKC as a whole. Specific undergraduate, graduate, and professional programs are also accredited by other programmatic accrediting agencies. The accredited programs and their accrediting agencies are identified in the UMKC Catalog available at www.umkc.edu/catalog.

Academic Calendar

All credits shown are semester credit hours. Fall and Winter/Spring semester are 16 weeks long. Summer terms vary in length from 4 to 10 weeks.

Grading Practices

UMKC has used the 4.0 grading scale since Fall 1966. Consult the UMKC Office of Registration & Records for grading explanations prior to 1966.

A	Highest Grade	4.0
B	Work of Distinction	3.0

P	Passing
S	Satisfactory
T	Required Enrollment
W	Withdrawn
WF	Withdrawn Failing

IP	In Progress
PR	Pre-Registered Course

UMKC began using plus and minus grading suffixes in Fall 1993. Prior to 1993, only the Law School used plus and minus suffixes. Grades with a plus are given three tenths (0.3) additional quality points per semester hour and grades with a minus are reduced by three tenths (0.3) quality points per semester hours. The plus and minus suffixes are available on grades "A" through "D" except that the "A+" is only approved for use by the School of Law.

Grades preceded by the letter "R" indicates the course was repeated. The original grade is not used in computing cumulative hours or grade point average. All courses completed by undergraduate students since 1985, including repeated courses, are used in calculating cumulative hours and GPA.

Grades preceded by the letter "X" indicate the course was forgiven by the Faculty in accordance with the UMKC Academic Amnesty policy and that the course is not used in computing cumulative hours or GPA. Amnesty is available to undergraduate students only.

Doubled grades, such as AA, BB, CC, DD and FF indicate that the course is not used in computing cumulative hours or GPA. The course associated with the doubled grade is not applicable to the student's program of study.

Beginning in the Summer 2008 term, the School of Medicine changed the scale by which grades for clinical rotations are reported. The following scale is used.

Grade	
H	Honors
HP	High Pass
SP	Satisfactory Pass
MP	Marginal Pass
F	Fail

Term and Summary GPA and Credit

Following the listing of individual UMKC courses each semester is a term summary including the term GPA. At the conclusion of each level of work (undergraduate, graduate and first professional), the cumulative totals are listed. The three levels of work are not combined in any way.

The University of Missouri cumulative GPA is considered the official cumulative GPA. It includes the course hours and quality points from all courses attempted at any of the University of Missouri campuses.

Dean's List and Latin Honors

Undergraduate students who meet the academic criteria of their school or college during a semester are placed on the permanent honor roll (known as the Dean's List) for that term.

Undergraduates and students in the MD, DDS, JD, and PharmD programs who meet the criteria of their academic program will be awarded their degree with Latin honors (Summa Cum Laude, Magna Cum Laude, or Cum Laude).

Until June 2004, UMKC awarded the top 20% of the graduating class (excluding graduate level students) their degree "With Distinction".

Beginning in Summer 2004, Summa Cum Laude was awarded to the top 5% of students, Magna Cum Laude to the top 10%, and Cum Laude to the top 20% of the graduating class.

Beginning in Fall 2012, undergraduate students are eligible to be awarded their degrees with Latin honors as determined by each of the academic units using fixed overall GPA requirements (see www.umkc.edu/registrar/graduation) which may be adjusted annually. The calculation for Latin honors will be made using the GPA of the last 60 hours earned at UMKC, including credits in the semester when the student reaches or exceeds 60 hours.
